

TIME TO BUILD

A BETTER FUTURE.

The programme is a joint effort between the Centre for Built Environment (CBE), Kulliyah of Architecture and Environmental Design (KAED), International Islamic University Malaysia (IIUM) and the Construction Industry Development Board (CIDB) Malaysia. It is specially tailored for professionals in the construction industry, who are interested in acquiring and furthering their knowledge in business administration in the context of the construction industry at a higher level. This MBA (Construction Business) programme is conducted in the Kulliyah of Architecture and Environmental Design with good reference facilities at IIUM and CIDB. The MBA (Construction Business) degree will be awarded by the IIUM.
