

LAPORAN TAHUNAN 2007 ANNUAL REPORT

Building Today
For **Tomorrow**

Rasional Kulit Hadapan *Cover Rationale*

Membina Hari Ini Untuk Masa Depan

Rekabentuk kulit depan ini menggambarkan anjakan ke hadapan memasuki dunia semakin mencabar yang memerlukan penggiat industri membina kapasiti dan keupayaan mereka supaya sepadan dengan yang terbaik di dunia. Ini bermakna penggiat industri perlu membangunkan sikap, kemahiran, kemampuan, kecekapan dan produktiviti bagi membantu mereka membina produk pembinaan yang berkualiti, mengikut spesifikasi, menepati jadual penyerahan dan peruntukan kos serta memenuhi kepuasan pelanggan.

Building Today for Tomorrow

The cover design reflects the step forward into a more challenging world of tomorrow which requires industry players to consistently build their capacity and capability to match with the world's best. This means industry players have to develop the right attitude, skills, competency, efficiency and productivity to help them build quality deliverables according to specifications, on time, within cost and to client's satisfaction.
