CIDB WARNS AGAINST FRAUDULENT WEBSITES

Websites claiming to be official CIDB Green Card renewal portals surface

KUALA LUMPUR, 10 April 2019 – The Construction Industry Development Board (CIDB) Malaysia today exposed the existence of websites masquerading as official portals for renewing CIDB Green Cards. CIDB Malaysia reminded construction industry players to only utilise the official platform, Centralised Information Management Systems (CIMS), for all operations and transactions.

This follows feedback from a construction personnel to CIDB who was charged RM250 for a 5-year CIDB Green Card renewal; in contrast to the official CIDB charge of RM125.

The fraudulent website contains a *Borang Pembaharuan Kad Hijau CIDB* which collects applicants' personal information. When the information is submitted, users are presented with instructions for payment.

CIDB does not authorise third-party organisations for contractor and personnel registration, and has since lodged a police report with regards to the website. CIDB called upon industry players to also lodge police reports against any agent or website that claims to represent the statutory body.

Contractors and construction personnel are further advised to perform all official transactions online through CIMS, at <http://cimsapp.cidb.gov.my>.
