PRAKATA

PRAKATA

Bersyukur kepada Allah SWT, kerana dengan limpah kurnia serta izin-Nya Direktori ini dapat diterbitkan.

Pindaan Akta 520 (2011), telahpun diluluskan oleh parlimen pada 12 Julai 2012 dan diwartakan pada 15 September 2012. Dalam pindaan ini, perkara berkaitan aspek-aspek kualiti, dan elemen keselamatan telah diberi penekanan yang dikira mampu meningkatkan lagi profesionalisme dalam industri binaan. Secara keseluruhannya, penambahbaikan yang diperuntukkan di dalam akta ini adalah untuk melindungi pengguna dan kontraktor yang berdaftar dengan CIDB.

Peruntukkan kualiti bahan binaan di bawah Seksyen 33 Pindaan Akta 520 (2011) ini memberi mandat kepada CIDB untuk menguatkuasakan kualiti bahan binaan yang dibutirkan di dalam Jadual Keempat Akta tersebut. Antaranya termasuklah produk seramik, produk sanitari, simen, aluminum, kaca, besi dan keluli, bahan-bahan penebat haba dan 'radiant barrier'.

Sehubungan dengan itu, sebagai salah satu usaha CIDB dalam memastikan bahan binaan digunakan adalah berkualiti, Direktori ini telah diterbitkan sebagai garis panduan dan sumber rujukan untuk rakan industri mengenalpasti pengeluar-pengeluar dan produk-produk yang telah mematuhi standard yang ditetapkan. Direktori ini juga akan dapat membantu pengeluar-pengeluar menjalinkan 'networking' sesama mereka.

Semoga penerbitan Direktori ini dapat dimanfaatkan dan dapat meningkatkan lagi akauntabiliti, integriti serta profesionalisme industri pembinaan di Malaysia, dan seterusnya meningkatkan kualiti hasil kerja pembinaan secara keseluruhannya.
